CANADIAN NATIONAL RAILWAY COMPANY AND GRAND TRUNK CORPORATION

**MOTION OF WILL COUNTY TO INTERVENE
AND JOIN IN THE JOINT PETITION TO REOPEN FINAL DECISION
AND ISSUE SUPPLEMENTAL ENVIRONMENTAL IMPACT STATEMENT**

Will County, Illinois and the Will County Forest Preserve District (collectively "Will County"), hereby move the Surface Transportation Board ("STB" or "Board") for leave to intervene and join in the Joint Petition to Reopen Final Decision and Issue Supplemental Environmental Impact Statement filed by the Village of Barrington ("Barrington") and the TRAC Coalition ("TRAC"), stating as follows:

1. On or about August 27, 2009, Barrington and TRAC filed with the STB their Joint Petition to Reopen Final Decision and Issue Supplemental Environmental Impact Statement, in which they persuasively set forth compelling reasons why this Board should reopen the Final Decision entered on December 24, 2008, and why the Board should issue a Supplemental Environmental Impact Statement ("EIS").

2. The Joint Petition filed by Barrington and TRAC was based on new evidence and materially changed circumstances, and established that supplementation of the EIS is warranted due to substantial changes in the proposed action, and in light of significant new circumstances and information, including the August 5, 2009 filing of 17 notices of exemption for trackage rights in the

Chicago area which were simultaneously submitted by carrier subsidiaries of the Canadian National Railway Company ("CN").

3. In response to the notices of exemption, the Board observed that "the involved lines of railroad were examined as part of the project area in *Canadian National Railway Company and Grand Trunk Corporation—Control—EJ&E West Company*, Finance Docket No. 35087 (STB served Dec. 24, 2008) (CN-EJ&E)." *Elgin, Joliet & Eastern Railway Company—Trackage Rights Exemption—Illinois Central Railroad Company*, Finance Docket No. 35264 (STB served August 17, 2009), Slip Op. at 2.

4. The Board further observed that neither CN nor any of the submitting carriers explained how the notices relate to each other, or how they would impact the operational information that had been provided to the Board in CN/EJ&E. *Id.*

5. In response to the Board's requirement that CN offer some explanation for the notices, CN filed a "Supplement to Verified Notices of Exemption" on August 21, 2009 in each of the 17 dockets, in which it announced that the trackage rights it sought through its carriers would have no impact on the authority granted to CN pursuant to the Board's decision, and further claimed that the trackage rights it was seeking would have no effect on the review of CN's Operating Plan because the Plan presumed that CN was free to move any of its trains over any of its lines in the Chicago area. Supplement at 6.

6. Will County has a substantial interest in the outcome of these proceedings and the rights granted to CN and its carriers, inasmuch as the EJ&E lines effectively bisect Will County, and involve 52 public at grade crossings, with 38 of those on the mainline. Evidence in the proceedings below established that rail traffic in Will County is projected to grow dramatically as a result of the transaction between CN and EJ&E, with the volume of hazardous materials to be carried through the area projected to grow by approximately 700 percent. The environmental impact and harm resulting

from the proposed enormous increase in train traffic in Will County was the subject of extensive discussion in the STB's environmental analyses. *See generally*, Draft Environmental Impact Statement, STB Finance Docket No. 35087 (July 25, 2008) ("DEIS"). Table 2-9, Summary of Potential Environmental Impacts due to Change in Rail Operations at 2-71 to 2-78; DEIS, Table 2-11, Summary of Potential Environmental Impacts - Joliet Connection at 2-86 to 2-89; DEIS, Table 2-15 Summary of Potential Environmental Impacts - Kirk Yard Connections at 2-103 to 2-104; DEIS, Table 2-16, Summary of Potential Impacts - Double Track, at 2-105 to 2-109.

7. With respect to the need to reopen the Board's Final Decision and issue a Supplemental EIS, Will County adopts and incorporates the information and arguments ably set forth by Barrington and TRAC in their Joint Petition, and incorporates the same herein by reference.

8. Will County's intervention and joinder in the Petition filed by Barrington and TRAC will neither disrupt the procedural schedule nor broaden the issues in dispute, and is necessary to protect its interests which are threatened by the proposed action.

WHEREFORE, for the reasons set forth above, and in the Joint Petition filed by Barrington and TRAC, Will County hereby requests leave to intervene and join in the Joint Petition.

Respectfully submitted,
WILL COUNTY, ILLINOIS
